## MINIATURE YACHT RACE

King Kalakaua's birthday was celebrated as usual by the small yachts racing in the harbor. There were nine small craft entered and the race was won by the La Hoomanoa breaking all previous records and sailing the distance in 1 hour 17 minutes. The previous record was held by W. A. Hall's White Star, the time being 1 hour and 22 minutes.

There was a brisk wind blowing yesterday and this may account for the record. The course was sailed from an imaginary line from the lighthouse to Bishop's wharf, out through the channel, around the bell buoy and back. The La Hoomanoa finished far ahead of the balance of the contestants.

The following boats were entered: 1. Wahikauloula, 44 inches long Captain Mana Long.

2. La Hoomanoa (the winner), 41 inches, Captain Kekela Mahuka.

3. Liholihi, 44 inches, Captain John Debris.

4. White Star (last year's winner), 45 inches, Captain Abram Kaleikini.

5. Hauhau, 45 inches, Captain John Lihi.

6. Hoku Lele, 45 inches, Captain Nakaiwa.

7. Nakala, 45 inches, Captain Kalaikula.

8. Poni Mei, Captain Parker Jr.

9. Lady L., 36 inches, Captain Kalaikula.

E. A. C. Long and Geo. Shaw were the judges and E. K. Lillikala was the official timekeeper.

Prince Cupid gave a loan at his Waikiki residence, where the prizes were given and a general good time was had.

The races from 1896 have been won as follows:

1896—Prince Cupid's Lady L. 1897—Kauauai's Healan.

1898—Prince Cupid's Lady L.

1899—Prince Cupid's Lady L.

1900—Kallino's Naemarie.

1901—Prince Cupid's Lady L. II.

1902—John Lili's Hauhau.

1903—John Lili's Hauhau.

1904—John Lili's Hauhau.

1905—W. A. Hall's White Star.

1906—E. Manuka's La Hoomanoa.

## LADY WRESTLER

Juno May, a London girl, aged 22, aspires to fame as a wrestler. She weighs 252 pounds and is 6 feet 2 inches tall. Her bust measures fifty inches, her waist thirty-three, her biceps fourteen and her calf sixteen. Wrestling has been her hobby since she was a school girl of 12. She now is training with Pieri, "The Terrible Greek." Juno says: "Father does not want me to wrestle in public, but I want to and mean to. I have thrown in Greco-Roman wrestling all the women I have encountered. I am willing to challenge any woman in the world for \$5000."

## FALSE THEORIES

Lead to Worthless or Harmful Remedies.

Stimulating the scalp may allay the itching of the dandruff, but that does not cure the scalp. The disease won't yield to quinine or capsicum nor alcohol, because it is caused by a germ or parasite. To cure dandruff the germ must be destroyed. Until recently there was no hair preparation, or dandruff cure, or hair restorer on the market that would kill that insidious germ that dries up the scalp in little scales called dandruff, and absorbs the vital

Mail orders are sent with the greatest possible dispatch. We can fit and suit you on orders received by mail. Perhaps you don't think so—but we're anxious to prove it. Drop us a postal card with your address and the one word "How?" on it, and we'll tell you by return mail HOW we do it. This will not obligate your ordering from us.

## Phenomenal Suit Values.

WE TRUTHFULLY ASSERT that the lines of suits we show are undisputably substantial suits, cut from the most durable wool fabrics of serges, cheviots, tweeds and cashmeres, in gentle blue, black, grey, and mixed grey colors, and some pronounced patterns. They are priced from

**\$8.50 up to \$22.50**

Materials are steam-shrunk, are hand-tailored, sewed with double-test pure silk and are as "hobby and stylish suits as can be found anywhere.

## Some Stylish Shirts

We are making the most attractive shirt offering of any store in the Islands. They are the SILVER SHIRT, called Silver because the wearer saves silver in buying them and the satisfaction of wearing them is the Silver kind. This shirt is made in all regular sizes, from durable cloth, of light and dark colors in checked and fancy patterns; are plied or plain; have cuffs attached or unattached. They sell for \$1.25. Why not order one by mail?

## New Premo Cameras

The Premo Camera presents advantages that no other camera possesses. That's why the PREMO is superseding all other cameras in popularity.

The use of the film pack, which is more convenient and quicker to operate than the roll; the option of using plates, and the advantage of being able to focus on the ground glass for each picture, whether you use plates or films, are only a few of the strong points that go to make the PREMO CAMERA desirable.

manufactured from pure distilled water. Delivered to any part of city by courteous drivers.

The dance and concert given by the Royal Kawaihau Glee Club last night at the Young Hotel was very successful and the band fund gained to a considerable extent as the result. Both the pavilions, which were given free for the purpose by Manager Hertsche, were crowded and as soon as the dancers in one finished they would hurry to join those in the other, keeping up a continuous dance through the entire evening. The programs were arranged for the occasion and were unusually neat and will be kept by many as souvenirs of the occasion. The dancing was kept up till after midnight and if it had not been for the fact that the janitor came a little tired and sleepy and commenced to turn out the electric lights as a hint there is no telling whether it would have stopped at all or not.

The music was furnished by the following members of the Glee Club: Charles Kumukahi, Chas. Paauhi, Wm. Kataawai, James Croswell, Joe. Puna, John Paauhi, Peter Katauhui, Lima Kahuahe, George Pio, John Paauhi, David Kaumana, James Hicks and Charles Macfarlane.
